FREE Monthly Worksheet

How the worksheets help the teachers and the students?

Our reading programme worksheets offer a broad and in-depth overview of all topics relevant to essay writing, and hence the worksheets would guide the students to employ different forms of writing to suit a range of topics.

- Enhance their **Comprehension Skills**: These worksheets serve as a guide to help the students do well in this section by identifying the main contents of articles.
- Increase their **Vocabulary & Language skills**

Magazine will be delivered to Home Address Free & worksheets will be sent via Email (PDF format)
