I have never been to a more spectacular wine dinner!! The perfect combination of great wine, Chef Gary's amazing food pairings, Manfred's organization with reservations and hospitality, together with the staff's overall impeccable service and attention to detail were amazing. You and your entire staff deserve high praise for all the combined efforts. Thank you for treating me and Amanda to an evening to remember!

"According to Wikipedia, a testimonial or show consists of a person's written or spoken statement extolling the virtue of a product. The term "testimonial" most commonly applies to the sales-pitches attributed to ordinary citizens, whereas the word "endorsement" usually applies to pitches by celebrities. Testimonials can be part of communal marketing."
