FAQs

I'm already a Circles.Lifer. Can I still get CIS benefits?

CIS benefits are only available to customers signing up for a new mobile plan with us (both new and transferring numbers).

However, if you've been a Circles.Lifer for over a year, we'd love to reward your loyalty. Fill out [this form](#) and we'll send the upgrades via email.

You can also share these benefits with friends and family! Just drop your personal email [here](#) and get a code shareable up to **five** times.

Will CIS benefits tie me down to a contract?

No. Every Circles.Life customer, regardless of whether they're subscribed to a CIS program or not, can benefit from us WITHOUT contracts.

Can my friends and family enjoy my CIS benefits?

They 100% can! You can share your CIS code up to **five** times.

How long is my personal CIS code valid for?

Forever! Just note that our offers change every month.

How does the CIS promo code work?

After entering your personal email on your company's dedicated webpage, we will send you a personal promo code via email. Enter it during checkout.

What payment methods are available for my Circles.Life CIS plan?

We only support credit/debit cards. Payment is automatically deducted from the card used when you initially signed up, so long as the card is valid and has sufficient balance.

Alright, then what about delivery?

SIM card delivery ranges from \$2 to \$6.

I travel for work. Does the CIS Plan come with roaming/IDD?

Thanks to our Super Roam, as well as Roam Boost A and B, you're all set to explore over 15 countries for as low as \$8/mo. We've got something for **IDD calls** too.

You can easily toggle them on the Circles.Life app anytime, anywhere. Or, our **pay-as-you-go roaming** keeps you connected in over 177 countries.

You got me with the \$100 Cashback. Now how do I get it?

Just purchase a CIS Combo plan (SIM + phone). The \$100 Cashback will be given via bill waivers of \$4.00/mo over 25 months.

I'm currently on a prepaid plan. Am I still good for the CIS offer?

CIS plans are only for post-paid plans. Request your current service provider to convert your plan to a post-paid one before making your purchase with us!

What about phone warranty?

All phones sold by Circles.Life come with a manufacturer warranty. This means taking them to either Apple or Samsung.

For Apple devices, input your phone's serial number on their **Check Coverage page**. The serial number is located in Settings > General > About.

For Samsung devices, simply bring your purchase invoice to Samsung. Do note that they only accept the purchase invoice as documentation for the warranty.
