Only applicable for shows on Fri 11 Nov, 8pm | Sat 12 Nov, 3pm | Sat 12 Nov, 8pm

This November, SRT proudly presents the Asian premiere of Kendall Feaver's multi-award-winning play, *The Almighty Sometimes* – the heartfelt drama about a young woman's struggle to discover her identity and a mother's anguish about letting go.

"When I first read The Almighty Sometimes several things struck me about this extraordinary play. The brilliant writing with such wonderfully natural dialogue, dialogue that is honest, truthful and real; that allows the actors to really inhabit the characters and that feels so like everyday speech but filled with meaning, passion, humour and heart."

-- Daniel Jenkins, Director

The Almighty Sometimes will make you laugh and cry, all at the same time. It will make you appreciate your loved ones, no matter what the consequences may be. Be moved by this exceptionally beautiful play about love, life and letting go.
