PATINA
MALDIVES • FARI ISLANDS

Within the incredible beauty of Maldives, our island home, we have devoted our Maldives resort and luxury villas in to a seamless blending of inside and outside so that your flow can go unbroken.

Verdant landscaping envelops each of Patina Maldives' 90 contemporary one- to three bedroom Beach and Water Pool Villas, alongside 20 Fari Studios in private sanctuary, yet unfolds invitingly into the surrounding island life; a simultaneous experience of isolation and belonging.

FARI STUDIO BY PATINA MALDIVES

Overlooking native tropical greenery and turquoise lagoon, the soulful resonance of natural textures inspires our studios' design, offering a renewed take on luxury accommodation at one of the best luxury resorts in Maldives. Proximity to the island's social hub, Fari Marina Village, gives these studios a dual essence. They are both sanctuary and at the centre of it all.
