INDULGE IN OUR HANDCRAFTED MOONCAKES

From now until 29 September 2023, mark the annual celebration with a collection of Peach Blossoms' mooncakes, exquisitely crafted by Executive Chinese Chef Edward Chong.

These exquisite handcrafted delicacies are available in sets of four in our Celestial Chest, which turns into a watch or accessory box, and for those looking for a luxurious and extravagant gift set, our new limited-edition Moonlit Pavilion, which can be refreshed as a bedside lamp – adding a touch of elegance to your room, ticks all the boxes.
