

Is Eye Health Your Priority?

NOOCC EYE CENTRE

Comprehensive Eye Examinations (CEE) are essential to monitor your visual system and seek prompt intervention. A healthy visual system is necessary to carry out your daily activities. It enhances your **quality of life, work productivity** as well as **personal safety**.

What is involved in a CEE package?

1. **Checking your eye power in detail**
(how well can you see)
2. **Assessing your eye coordination**
(to ensure that your two eyes are working together well as a team).
3. **Examining your eye health** (anterior & posterior)
(screening for common eye conditions)

Cataract | Glaucoma | Corneal Abrasion | Floaters | Eye Diseases related to high blood pressure, high cholesterol, diabetes | Age-related macular degeneration. Some of these eye conditions can permanently impair your vision.
