A new and exciting dining concept awaits as Club Matera at The Cliff welcomes diners to a casual dining experience over the next three months! The unique pop-up will showcase acclaimed Chef Bjoern Alexander's **modern Asian-influenced Italian dining** style (pictured above right) and Chef de Cuisine Paolo Benedet's flair for creating **authentic Southern Italian flavours** that The Cliff is known for.

Set against **panoramic views of the South China Sea** with al fresco seating, diners will be feted to the two chefs' culinary creations featured in the a la carte, set lunch and set dinner menus; which will be updated regularly to provide fresh dining experiences.
